

2018 How to Individually Register/Insure your team.

www.RegisterUSASoftball.com

A few important items to keep in mind:

1. This is the option you want if your team will be playing Championship play (Districts, State, National Qualifiers or any National Championships).
2. All teams **MUST** have a team admin. to add players/coaches to team.
3. You will need First & Last Name, complete address and DOB for all players. For coaches you will need the same information along with a phone number and email address. The Member ID helps a lot as well if they know theirs.
4. All teams **MUST** have a Head Coach listed.
5. **Mandatory for at least 1 adult to be registered/insured with every team.**
6. Team admins. are **NOT** charged, therefore are **NOT** registered/insured unless they have another role marked as well.
7. **Use legal names on profiles of players/coaches when adding/creating.**
8. Any coach under 18 years old, use the Jr. Coach role, as a background check can not be legally run.
9. **Mandatory for at least 1 coach to be ACE Educated, but highly recommended to have at least 2 in case one is absent.**

A few important items to keep in mind: Cont.

10. Mandatory for **ALL** adults in the dugout or on the field of play to pass an ASA background check.
11. **Birth certificates/drivers license are required for verification by JO Commissioners before your team can be approved.**
12. ID Cards can not be sent until all birth certificates have been received and approved by your local JO Commissioner and payment is also received.
13. **Coaches MUST log into their RegisterUSASoftball.com profile to purchase with a credit card background check and ACE Certification.**
14. If an error is discovered and you have submitted your invoice but **NOT PAID**, we can make changes.
15. **Once payment has been submitted, there are NO REFUNDS.**

Log into your profile or create a profile **ONLY** if you do not have one.
